

Sample Amendments to Standard **construction** Contracts (2009 Revised edition)

assembly
construction: the process, art, or manner of constructing;
also, a thing constructed, put together by arranging or
connecting an array of parts. structure
framework

An educational CD of school-specific sample amendments to six common AIA construction contracts.

Available now from NSBA for members of the Council of School Attorneys.

The National School Boards Association's Council of School Attorneys is pleased to partner with the Texas Association of School Boards to make this valuable educational tool available to members of the NSBA Council of School Attorneys nationwide.

An educational tool

These sample amendments are designed to assist school attorneys in their work with school districts. The goal is to improve every school district's ability to provide excellent educational facilities in the most cost effective manner.

The Sample Amendments reference the following AIA agreements:

B102-2007; B201-2007; B201-2007 EXHIBIT A; A101-2007; A121 CMc-2003; A201-2007; E201-2007.

The referenced agreements are copyrighted by the AIA. AIA (American Institute of Architects) claims trademark rights in the term AIA and each of the referenced agreements. The Sample Amendments are not written, endorsed, or approved by the AIA. Ask for a copy of the introductory remarks from the CD for further information about the terms and conditions of use.

Table of Contents:
